the District of Delaware, dated February 29, 2012; and that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Stipulation in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having reviewed the Stipulation; and this Court having determined that the legal and factual bases set forth in the Stipulation establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Stipulation is approved.
2. The Stipulation shall be effective immediately upon entry of this Order.
3. The automatic stay imposed by section 362 of the Bankruptcy Code is hereby modified solely for the purpose of permitting Toyota, its agents or assigns to take possession of the Equipment from the Debtors' premises, any other location owned or leased by the Debtors, or any other location where the Equipment may be located, to dispose of the Equipment and/or otherwise exercise its rights and remedies under the Lease Agreement, and to apply the proceeds of said disposition to Debtors' indebtedness under the Lease Agreement without further notice or order of the Court.
4. To the extent necessary, the Lease Agreement is hereby deemed to be rejected as of the date of entry of this Order.
5. Any claim for rejection damages by Toyota shall constitute a prepetition general unsecured claim in the Debtors' chapter 11 cases and Toyota shall be required to file a proof of claim by the date set forth in an applicable order by the Court setting forth a bar date for the filing of proofs of claim or as otherwise set forth in a confirmed chapter 11 plan.

6. Neither Toyota nor Debtors shall seek to recover from each other any costs, fees, expenses or charges associated with the transfer of possession of the Equipment or otherwise performing under the Stipulation or any amounts relating to the subsequent disposition or deconstruction of the Equipment thereafter and neither party shall have any further obligation to the other under the Lease Agreement except as set forth herein. Notwithstanding anything contained in the Stipulation or this Order, Toyota's right to seek reimbursement of such costs, fees, expenses, or charges as a component of its rejection damages as part of any general unsecured claim is not waived; provided however, for the avoidance of doubt, Toyota waives any right to assert such reimbursement claim as an administrative expense claim.

7. Toyota shall not seek an administrative expense claim for costs and attorneys' fees incurred in connection with entering into and performing under the Stipulation or this Order, and each side shall bear its own legal fees and expenses in connection with such performance. Notwithstanding anything contained in the Stipulation or this Order, Toyota's rights to seek reimbursement of attorney's fees and costs as a component of its general unsecured rejection damages claim shall not be waived.

8. Notwithstanding Bankruptcy Rule 4001(a)(3), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

9. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order and to consummate the Stipulation.

10. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order and the Stipulation.

their businesses and their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code;

WHEREAS, Debtor YRC Worldwide Inc. and Toyota, entered into that certain master lease agreement, dated December 6, 2013 (the “Master Lease”) under which Toyota agreed to lease to the Debtors 34 forklifts (collectively, the “Equipment”) as described in the schedule to the Master Lease (the “Lease Schedule,” and together with the Master Lease, the “Lease Agreement”).

WHEREAS, the Debtors have notified Toyota that the Debtors do not intend to assume or assign the Lease Agreement in connection with the Debtors’ chapter 11 cases;

WHEREAS, Toyota has indicated to the Debtors its desire to take possession and dispose of the Equipment;

WHEREAS, the Debtors have determined that it is in the best interests of their estates and creditors to permit Toyota to take possession of the Equipment, effective as of the date of entry of an Order of this Court approving this Stipulation;

WHEREAS, the Debtors have determined that it is in the best interests of their estates and creditors to reject the Lease Agreement, effective as of the date of entry of an Order of this Court approving this Stipulation, to the extent necessary;

WHEREAS, Toyota has agreed to such rejections, to the extent necessary; and

WHEREAS, the Debtors consent to lift the automatic stay imposed by section 362 of the Bankruptcy Code on the terms and conditions set forth in this Stipulation for the exclusive purposes of allowing Toyota to take possession of the Equipment, to dispose of the Equipment, and to apply the proceeds of said disposition to Debtors’ indebtedness under the Lease Agreement without further notice or order of the Court.

THEREFORE, IT IS HEREBY STIPULATED AND AGREED, AND UPON APPROVAL BY THE BANKRUPTCY COURT OF THIS STIPULATION, IT IS SO ORDERED as follows:

1. The above recitals are incorporated by reference into this Stipulation with the same force and effect as if fully set forth hereinafter.

2. The automatic stay imposed by section 362 of the Bankruptcy Code is hereby modified solely for the purpose of permitting Toyota its agents or assigns to take possession of the Equipment from the Debtors' premises, any other location owned or leased by the Debtors, or any other location where the Equipment may be located, to dispose of the Equipment, and/or otherwise exercise its rights and remedies under the Lease Agreement, and to apply the proceeds of said disposition to Debtors' indebtedness under the Lease Agreement without further notice or order of the Court. Nothing herein shall be construed to require Toyota to take possession of any Equipment which, in its discretion, Toyota deems to be damaged, destroyed or inoperable. If Toyota exercises its discretion not to take possession of any such Equipment it deems to be damaged, destroyed or inoperable, Toyota will release the title certificate(s) to said Equipment to the Debtors.

3. Each of the Parties shall use commercially reasonable efforts to cooperate and coordinate with respect to the logistics of Toyota's repossession of the Equipment.

4. To the extent necessary, the Lease Agreement is hereby deemed to be rejected as of the date of entry of an Order of this Court approving this Stipulation, and Toyota consents to such rejection. Any claim for rejection damages by Toyota shall constitute a prepetition general unsecured claim in the Debtors' chapter 11 cases and Toyota shall be required to file a proof of claim by the date set forth in an applicable order of the Court setting a bar date for the filing of proofs of claim or as otherwise set forth in a confirmed chapter 11 plan.

5. Each of the Parties to this Stipulation represents and warrants it is duly authorized to enter into and be bound by this Stipulation.

6. Neither Toyota nor Debtors shall seek to recover from each other any costs, fees, expenses, or charges associated with the transfer of possession of the Equipment, otherwise

performing under this Stipulation or any amounts relating to the subsequent disposition or deconstruction of the Equipment thereafter, including but not limited to towing, storage, repairs, or disposal costs and neither party shall have any further obligation to the other under the Lease Agreement except as set forth in this Stipulation. Notwithstanding anything contained in this Stipulation, Toyota's right to seek reimbursement of such costs, fees, expenses, or charges as a component of its rejection damages as part of any general unsecured claim is not waived; provided however, for avoidance of doubt, Toyota waives any right to assert such reimbursement claim as an administrative expense claim.

7. Toyota shall not seek an administrative expense claim for costs and attorneys' fees incurred in connection with entering into and performing under this Stipulation, and each side shall bear its own legal fees and expenses in connection with such performance. Nothing herein shall be construed as a waiver of (a) Toyota's rights to seek reimbursement of attorney's fees and costs as a component of its general unsecured rejection damages claim, or (b) any party in interest's right object to any rejection damages claim asserted by Toyota.

8. Neither this Stipulation, nor any terms contained herein shall be offered in evidence in any legal proceeding or administrative proceeding among or between the Parties, other than as may be necessary: (a) to obtain approval of and to enforce this Stipulation, (b) to seek damages or injunctive relief in connection therewith, or (c) to prove that the automatic stay has been modified in accordance with the terms of this Stipulation.

9. This Stipulation is subject to the approval of the Court and shall be effective upon entry of an order approving this Stipulation by the Court (the "Order"). The Parties hereby consent to the entry of the Order and waive any right to notice or hearing on the approval of the Stipulation.

10. The Court retains exclusive jurisdiction with respect to any disputes arising from or other actions to interpret, administer, or enforce the terms and provisions of this Stipulation.
